Thomas Harriot College of Arts & Sciences

Spring 2026 Recognition Ceremonies

Friday, May 8, 2026
Saturday, May 9, 2026

Allison S. Danell, Dean

Graduation Regalia

Bachelor's degree graduates wear purple caps and gowns, a tradition started in 2007 during ECU's Centennial. Master's and PhD graduates wear black regalia and receive colored hoods, which symbolize the degree level, field of study (via velvet trim), and awarding institution (via silk lining). Stoles and cords reflect honors and organizations graduates participated in during their time at ECU.

Faculty typically wear regalia from the institution where they earned their highest degree. All graduates wear a cap with tassels, which may match the hood trim for graduate degrees.

Graduate and Undergraduate Degrees

The PhD is the highest degree in fields like Humanities, Social Sciences, Natural Sciences, and Mathematics. It includes coursework, exams, and a dissertation based on original research.

Harriot College offers three master's degrees: MA, MS, and MPA. These typically require two years of coursework and a thesis or capstone project.

Undergraduates earn baccalaureate degrees after completing at least 120 credits, including general education. BA degrees require foreign language study and a minor or second major, while BS degrees focus more on technical expertise in the major field.

Diplomas

Diplomas are issued by the Office of the Registrar, not at the department or College level. Diplomas will be mailed within 10-12 weeks of the graduation date. If a student has a hold on their record, the diploma will not be mailed. For more information please visit their website: registrar.ecu.edu/diplomas/.

Scan the QR code below to access a Harriot College web page where you may download and print a pdf copy of this recognition program and access the itinerary for each college recognition ceremony, where applicable.

ECU THOMAS HARRIOT COLLEGE OF ARTS & SCIENCES

About this Program

We sincerely regret omitting any graduate's name or honor from this program. The names and honors published here were those available at publication time. The final determination of honor distinctions will be confirmed by the Office of the Registrar following the formal completion of the degree.

Stay Connected

Keep in touch! This chapter of your time with us may be coming to a close, but we are cheering you on as you turn the page to your bright future. We encourage you to stay connected with Harriot College and with your departments and programs. Follow us on LinkedIn at ECU Thomas Harriot College of Arts and Sciences for job postings, updates about our programs, students, faculty, and alumni, and opportunities to come back and see us! We look forward to seeing you again and celebrating your successes!

Ready to inspire the next class? From speaking to classes to funding essential scholarships, contact our Director of Alumni Relations and Outreach Ashley Harzog at clelanda18@ecu.edu for more information about how you can support the next generation of leaders in the arts and sciences.
