ACADEMIC REGALIA INFORMATION

The bachelor degree graduates are wearing purple caps and gowns, a tradition that began in 2007 during the Centennial anniversary of East Carolina University.

The masters and PhD degree graduates are wearing traditional black caps and gowns and will receive colored hoods. Of all the components of the academic regalia, the hood is most symbolic. The hood's coloring and size represent the level and subject of degree earned, as well as the institution from which it was awarded. The hood has colors on it in two different places. On one side of the hood there are patches of velvet, and on the other side there are large patches of silk. The silk patches are the colors of the institution that gave the degree. The velvet indicates the area of study.

Faculty typically wear the regalia of the institution from which they earned their highest degree. The graduates wear a cap or "mortar board" with a tassel. The tassels for graduate degrees may correspond to the trimmings on the hoods.

The stoles and cords present a rich variety of honors and associations in which the graduates have participated during their time at ECU.

ABOUT ACADEMIC DEGREES

The Doctor of Philosophy (PhD) is the terminal, or highest, graduate degree in fields in the Humanities, Social Sciences, Natural Sciences, and Mathematics. In addition to coursework and qualifying exams, doctoral degree candidates complete a dissertation, a significant original research project.

Harriot College offers three Master's degrees to graduate students: the Master of Arts (MA), the Master of Science (MS), and the Master of Public Administration (MPA). Candidates typically take two years of coursework and complete a thesis or other capstone project.

Baccalaureate degrees are earned by undergraduates, who at ECU complete a minimum of 120 credits, including general education courses that offer a broad education in the liberal arts and sciences. Bachelor of Arts (BA) degrees require foreign language study and a minor or second major. Bachelor of Science (BS) degrees require more coursework in the major field as students develop technical expertise.

DIPLOMAS

Diplomas are issued by the Office of the Registrar, not at the department or College level. Diplomas will be mailed within 10-12 weeks of the graduation date. If a student has a hold on their record, the diploma will not be mailed. For more information please visit their website: registrar.ecu.edu/diplomas/.

STAY CONNECTED

Keep in touch! While you may be leaving ECU to pursue your goals and dreams, we encourage you to stay involved and in touch with Harriot College and with your departments and programs. Follow us on LinkedIn at ECU Thomas Harriot College of Arts and Sciences for job opportunities; updates about our programs, students, faculty, and alumni; and opportunities to connect with fellow alumni. Once you have settled into your next adventure, we invite you to share your latest mailing address, email, and phone number so we can stay connected. We are proud of the tremendous accomplishments and substantial contributions of our graduating class. We look forward to seeing what you will continue to accomplish!

Interested in making a major difference for the students that come after you? We are thankful for the contributions of previous graduates who supported the more than 140 scholarships that assisted our current graduating class. When you are more established in your career, we hope that you will consider providing the same opportunities to future graduates of our departments. Contact our Director of Alumni Relations and Outreach Ashley Harzog at clelanda18@ecu.edu for more information on how you can make an impact through scholarships, stocks, estate gifts, or sponsorships. We are grateful for your support.

ABOUT THIS PROGRAM

We sincerely regret omitting any graduate's name or honor from this program. The names and honors published here were those available at publication time. The final determination of honor distinctions will be confirmed by the Office of the Registrar following the formal completion of the degree.

Congratulations, Graduates, and welcome to the ECU Alumni family! You are a member for free and for life. We are so proud of your accomplishment and want to keep you connected to your alma mater no matter where your ship sails. You are forever treasured, Pirate.
